

Dear SaintA Families,

Thank you! Thank you for what you have done, are doing, and what you will be doing for our children and families that need your help!

We want to be there to help support your family. We know that searching for a childcare center can be stressful, but finding the right location can also be rewarding for your family. Finding the right center gives you the peace of mind that your child is learning, growing and having fun. At KinderCare child care centers we understand and are sensitive to your concerns, and we're here to answer any questions large or small. Whether you turn to KinderCare or another childcare provider, you need a partner who will work with you and your child to communicate, educate and nurture your entire family's needs.

We feel very proud that all of our local locations are 5 Star Providers and Nationally Accredited Centers and we want to show you what we have to offer! Please check out our website at kindercare.com to get more information or contact a location near you to schedule your family's tour today!

Thank you,

Your KinderCare Directors
