

5-Star Day Care at all Head Start Centers

Are you looking for five-star day care for your foster child? Check out your nearest Head Start center. These high quality centers provide school readiness for ages 3 and 4. Two providers also have Early Head Start, which is prenatal to age 3.

All foster children are eligible for Head Start and are given preference if there is a waiting list for a particular center. Children may be enrolled at some centers at any time of year provided there is space available.

There are four Head Start service providers. You must enroll in a center that serves your area. The areas and contact information are as follows:
